Subject: Re: Pincione

Thanks so much for this, Matt.

Next question: Where are we in terms of delivering the 2009 check? We have no plans to spend it any time soon, but I'm pretty sure we'll need to have it before we actually make the offer. Gayle and I won't deposit the check until the offer is approved at this end.

Dave

David,

our board is ok with moving ahead with Pincione as the Koch professor.
